Subject: A PUBLIC MEETING THIS TUESDAY FEB 11 BEFORE JUDGE BROWNING ON THE CASA GOVERNING APD REFORM HELD WITHOUT THE PUBLIC BEING ALLOWED TO SPEAK

*Re: 14-CV-1025-JB-SMV

TO: JUDGE BROWNING

FYI ALL-PARTICULARLY THOSE FED UP WITH THE LACK OF ACCOUNTABILITY BY APD'S CRIMINAL/KILLER COPS

Someone please pass to grieving father Ken Ellis III whose son was among those murdered by one of Geier's many trigger-happy cops who like the many others to date was never held accountable.

After a number of my e-mails to the City, the DOJ and others asking when federal Judge Browning will consider Mayor Keller's insulting appeal to no longer require that the DOJ and its Monitor Ginger oversee APD's compliance with the 2014 CASA in key still not reformed areas including their use of force, the civilian oversight process and others, the US Attorney's office today sent me the following announcement of NEXT TUESDAY'S-FEB 11 PUBLIC MEETING shown below this narrative and attached.

Note that it was addressed to only a select few people-primarily City attorneys and other people who likely support it or seemingly couldn't care less about any real APD reform like those in the DOJ and in the mainstream media.

In a recent editorial, the Journal's Board not surprisingly pandered to THEIR Mayor and ran an editorial endorsing the outrageous request to allow APD to police itself and continue their lack of accountability in defiance of the CASA. Note that the list of addressees even includes Fred Mower, the attorney for APD's Union/APOA "It's them against us" President Shaun Willoughby. I don't see any Councilors or POB members on the address list. But they likely don't care!

As expected, like Tommy Rodella's appeal hearing last month before Judge Browning asking to be released from jail after serving five of his ten years in a Texas prison after being railroaded by now APD's CYA 2018 hire Damon Martinez-a hearing that the Journal never notified readers of, we again see nothing about this upcoming Tuesday allegedly PUBLIC hearing on Mayor Keller's insulting relief request from the CASA.

Grieving father Ken Ellis whose son was murdered by APD cop Brett Lampiris-Tremba but never held accountable was outraged when told of Keller's insulting appeal-as likely were other family members and friends of other APD victims. When I demanded answers to APD's murder of my good neighbor Chris Hinz in June 2010 and demanded recordings that would expose the two killers' lies, Chief Geier's mentor-then Chief Schultz, threatened me to "be careful" and later would post unmarked APD vehicles in front of my house at night hoping I would come out.

Schultz did the same car intimidation to the grieving mom of Len Fuentes after she demanded answers to APD's murder of her son Len. Just see again just the partial list of police shootings from 2007 to 2016 attached including the victims I mentioned highlighted. APD's bloodbath continues to this day and yet not one killer cop has ever been held accountable. I'm sick and tired of hearing from their leadership and the media that APD cops put their lives in danger every day. Have them put on a military uniform and serve under fire in a combat zone. I doubt few would/have.

Chief Geier lied when claiming this Keller appeal if honored will save 61 officers now committed to CASA compliance. His Compliance Bureau is now being led by one of Geier's most disgraceful Deputy Chiefs-Eric Garcia. Garcia is the same character whose APD wife was demoted to a Lt. rather than terminated after caught falsifying records. Last year, she was promoted back to Commander by Geier. Lest we forget Geier's former PIO Simon Drobik and his Lt. boss ripping off taxpayers for over \$100,000 by falsifying their timecards but neither were ever terminated for their crimes. Drobik even claimed he worked 26 hours in one day.

Contrary to the lies Chief Geier and others will tell Judge Browning Tuesday, APD has since the CASA was signed over six years ago, never had any intent to reform knowing full well that neither ex-cop Monitor Ginger nor those in the DOJ cared. Monitor Ginger's interest was only in milking taxpayers for millions for as long as possible. Soon after hired, he made that clear that he didn't care about reform during his first public meeting over six years ago when telling us that APD reform would take a very long time "be a marathon." That's all APD had to hear!

So instead of APD immediately going out to good police and sheriff departments throughout the US including those just reformed like Seattle's and adopting their policies and procedures and training curriculums, instead Ginger would allow APD to start from scratch-essentially reinvent the wheel, something that would make his money making marathon prediction a reality. Since then, Geier and Keller's trigger happy cops continue to murder people including the homeless but conveniently will never make public recordings that incriminate them-those that expose the lies they tell. While staying in hiding Geier instead sends out his PIOs like Gil Gallegos and Lieutenants like Ray Del Greco to parrot the lies told by his trigger happy cops.

While the mainstream media-particularly the Journal as well as the City Council have been complicit in APD's reform charade, we are fortunate to have truth tellers who write blogs. These include the ABQReport, Eye on Albuquerque and one written by Pete Dinelli. In particular, the first two repeatedly exposed the cesspool/Hellhole that this City has become under our corrupt leadership not only in the Mayor's office, in APD's leadership position, in our DA office but also in our corrupt Civilian Police Oversight process under ex-cop Ed Harness and his few remaining POB lackeys.

One example is the September 20, 2019 ABQReport expose, "Russia on the Rio Grande" that exposes CPOA Director Ed Harness for the traitor to the people he is. Geier just loves this lackey of his. See <https://www.abqreport.com/single-post/2019/09/20/Russia-on-the-Rio-Grande> The following is the introduction to this damning ABQReport posting that alone should have caused the firing of CPOA Director Ed Harness and removal of his enablers still on the Police Oversight Board.

- *Civilian Police Oversight Agency Executive Director Ed Harness spies on his bosses at the Police Oversight Board. Harness went through his superiors' (POB) emails.*
- *Harness and POB Chair Chantal Galloway launch Soviet-style probe into "leaker" of public information.*
- *Comrades Harness and Galloway hate it that someone sent one of Ed's emails about the federal court judge (Browning) who's overseeing the police reform effort to the judge!*
- *War on free speech and individual thought and action.*

All this and yet the alleged advertised public hearing before Judge Brack only allows the public to attend to hear the lies told by the enablers to castrate the CASA-make it just a worthless piece of paper.

AGAIN, the public-the victims of this ongoing APD lack of accountability who clearly have something to say-express their outrage with our corrupt Mayor and APD Chief's proposal like grieving father Ken Ellis III and I will not be permitted to talk Tuesday! Will the media be there?

Disgusted
